EMORY MEDICAL GENETICS
How to Refer a Patient

Scheduling the Appointment:

1. First, fax medical records, insurance information, demographics, and referral information to (404) 778-8562 to “Attention: Lysosomal Storage Disease Center Scheduling”
2. Then, call the Emory Lysosomal Storage Disease Center at (404) 778-8565 or (800) 200-1524 to discuss scheduling your appointment. Currently, we see Lysosomal Storage Disease patients on the first and third Tuesday of every month. An appointment for a detailed assessment, recommendations for management and treatment, and any needed monitoring studies will be promptly scheduled for you.
