Genetic Consultations

Emory Genetics Laboratory has a team of professionals specifically designated to answer the physician and staff questions concerning Emory's genetic services available by calling (800) 366-1502 from 8:30 a.m. to 5:00 p.m. EST, Monday through Friday or by email to lab@genetics.emory.edu. In addition, Emory has a Board-Certified M.D. Clinical Geneticist on-call for emergent and after-hours physician phone consultations by calling (404)785-6000. This will be answered by a live operator who will page the M.D. Clinical Geneticist On-Call.

Referrals for clinical appointments may be made to Emory's pediatric, adult, prenatal and specialty genetics clinics by calling (404)778-8500. Further information regarding laboratory and clinical services is available on our website at: www.genetics.emory.edu
